- Fraser Island, QLD
- Old Telegraph Road section of the road to Cape York, QLD

Should vehicles be driven in restricted areas, the full bond amount will be deducted from the client's credit card and returned after a thorough safety inspection of the vehicle, less any repairs required to return the vehicle to pre-hire condition.

Drivers Licence / Minimum Age

A current and full motor vehicle licence is required to hire a RedSands Vehicle. If the license is not in English characters, then an International Permit is required. The licence must not be a probation licence, have been held for a minimum of 2 years and be valid for the entire duration of the rental.

The original driver's licence must be presented for both the main driver and any additional drivers, at the time of pick-up.

All drivers must be 25 years of age or older and be noted as a driver in the Rental Agreement. The Vehicle must not be driven by any person other than those persons noted on the Rental Agreement as drivers.

Rental Charges

Rental days are charged per calendar day. The day of pick-up is calculated as the first day of rental and the drop-off day is calculated as the last day of the rental. The vehicle must be returned as detailed on the rental agreement.

Minimum sell price

Resellers of RedSands Campers products are not permitted, unless with written prior consent from RedSands Campers, to discount their commission. Minimum sell price (converted to resellers currency) must be always adhered to. Failure to adhere to minimum sell prices may result in immediate termination of Agreement.

It is the responsibility of B2B wholesalers to ensure that resellers are not discounting their commission.

Bond

For security purposes, only a credit card can be used as security for hire. The credit card holder must be present and be able to sign for the hire at vehicle pick-up and it must be presented by the cardholder at pick-up. Debit cards are not an acceptable method of security for hire.

Within 21 days of the conclusion of hire, the bond will be refunded if the vehicle has been returned with a full tank of fuel, clean, free of any damage not covered under any Liability Reduction Option, at the correct location and on time and all other terms of the rental conditions have been adhered to.

Refunds may take up to 21 business days to be credited back to the nominated credit card, depending upon the hirer/s financial institution.

Standard Liability

RedSands Campers charge a Security Bond of \$5,000 on all rentals, where a Liability Reduction Option has not been selected. This amount is payable by credit card at the time of pick-up, by purchase transaction.

- Visa and MasterCard Security Bond initial payments are exempt from credit card surcharge / COA (Cost of Acquisition) however a surcharge / COA will apply to any amounts deducted from the Bond.
- Any Bond refund is subject to currency fluctuations.

Credit Cards

We accept Visa and MasterCard.

- Visa and MasterCard will attract a COA (Cost of Acquisition) surcharge on any transaction, excluding initial Security Bond payments.

GST (Goods & Services Tax)

RedSands Campers rates include the 10% GST.

Exchange Rates / Currency Fluctuations

All transactions are conducted in Australian Dollars (AUD\$). As RedSands Campers takes a bond as security over the vehicles hired, any refunds will be subject to currency fluctuations, so that means the amount in local currency that appears on the credit card may be higher or lower than the original amount debited. RedSands Campers is not liable, in any way, for these fluctuations. Refunds may take up to 21 days business days to appear in the clients account, depending upon the hirer/s Financial Institution.

Rental Extension

RedSands' approval is required, subject to availability, if you wish to extend the Vehicle rental whilst on hire. The extra cost of an extended rental must be paid by credit card, on confirmation of the rental extension, direct to RedSands Campers. Please note, commission is excluded if extended whilst on hire.

Smoking

Smoking is not permitted in the vehicles or roof top tents. Should smoke be detected in the vehicles, a minimum cleaning fee of AUD\$500 will be applicable.

Animals

Animals must not be carried in the Vehicle, excluding registered disability assistance dogs. Should it be noted that animals have been carried in the vehicles, a minimum cleaning fee of AUD\$500 will be applicable.

Pick-up / Drop-off Hours

The vehicle must be picked up or dropped off as per details on the rental agreement. Pick-up or drop-off outside of these hours may attract an out-of-hours fee.

Please note, clients are not permitted to pick-up their Camper on the same day they arrive in Australia from a long-haul flight exceeding 8 hours.
