### Booking Conditions

#### Driver's Licence and Minimum Age

A current and full motor vehicle driver's licence is required to be shown at pick-up and all drivers need to be present. If the driver's licence is not in English then we require an accredited English translation or an International Driving Permit.

Drivers of Mighty Campers (Highball, Double Down) and MightyLITE Campers (HiLITE and DeLITE) must be 18 years of age or over, with a full driver's licence.

For all other RV types drivers must be 21 years of age or over with a full driver's licence and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver's licence was issued to ensure correct rates are calculated. If the hirer presents a driver's licence that is from a different country to which the booking was created the guest may incur additional charges.

### Booking Duration

An RV holiday allows guests to travel at their own pace. To ensure our guests get the most out of their road trip, a minimum five-day rental period applies when pick-up and drop-off is from the same branch location. Higher minimum rental periods apply for all brands as follows and are subject to change:

- 7 Day minimum hire period for Moto GP (dates to be confirmed) in MEL.
- 7 Day minimum hire period for Bathurst (dates to be confirmed) in SYD.
- 7 Day minimum hire period for CMC Rocks (dates to be confirmed) in BNE.
- 7 Day minimum hire period for Christmas 26 December 2027 to 05 January 2028.
- 7 Day minimum hire period for Labour Day Weekend (dates to be confirmed) in MEL.

### One-way Bookings

Roadtrips don't always finish where they start, and some of the best adventures take you far and wide. If a guest drops off at a different branch location from which they picked up a minimum booking period along with a one-way fee applies per below:

The minimum booking periods for one-way bookings are detailed in the table.

To request the application of the discount please contact our Reservations crew.

### Discounts

Guests who love road trips as much as we do and travel for at least 21 days, receive 8% off daily rates. This is also available to guests with multiple bookings that total 21+ days.

## Booking Payments, Changes and Cancellations

### Confirmation and Payment

**thl** requires a deposit of \$250 at time of booking regardless of your rental value. The remainder of the rental value will be due 30 days prior to pick-up.

Bookings made less than 30 days prior to pick-up require full payment at the time of booking.

### Payment at Branches

For security reasons, we do not accept cash at our branches. We accept credit card and debit card for charges paid on RV pick-up and drop-off. The liability deposit is payable at pick-up by credit card or debit card and cannot be paid with a pre-paid credit card.

### Credit Cards

We accept Visa, MasterCard and American Express. The following fees apply for the rental and any additional products (irrespective of chosen account e.g. savings, credit, etc.):

	Rental/Extras

Amex	2.9%

*Fees are subject to change*

### Exchange Rate / Currency Variations

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 business days depending on the guest's financial institution. **thl** will not be responsible for credit or debit card fees or bank-imposed fees relating to currency conversion or foreign transactions.

### Booking Alterations

We understand that sometimes plans change. Changing the vehicle type, pick-up date, pick-up location, drop-off date and/or drop-off location may lead to additional charges. Any change in rental charges will be presented at the time of alteration. If the alteration is being made 60 days prior to pick-up, or less, a \$50.00 booking alteration fee will also apply. Bookings with Flexible Change Cover will be eligible for one fee free amendment within 60 days prior to pick-up (subject to availability).

### Change to the Drop-Off Location after Pick-Up

If you wish to change your drop-off location after pick-up, please get in touch with our friendly Reservations crew who will be happy to help. Our crew will advise if the change is possible and the applicable fee.

### Extending a Road Trip

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, first contact our friendly Reservations crew who will happily advise if the extension is possible and any associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a **thl** branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions, however it is subject to RV availability.

### Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however, should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

### Liability Deposit

The Liability Deposit payment will depend on the Liability Option chosen and the credit card holder must be present to sign for the Liability Deposit when they pick-up the RV and is liable for any damage to the RV.

- The total liability deposit will be debited to the credit or debit card immediately, where:
  - The guest has chosen to take 'The Low Road'
  - The guest is travelling in a 4WD and has chosen either the High Road or Value Pack, without 4WD Liability Reduction.
- A credit card authority will be recorded at the time of pick-up, where:
  - The guest is travelling in a 2WD and has chosen to take 'The High Road', 'Value Pack' or 'Platinum Pack'
  - The guest is travelling in a 4WD and has chosen to take either 'The High Road' or 'Value Pack' in conjunction with 4WD Liability Reduction, or the Platinum Pack.

The liability deposit is fully refundable including the credit card administration fee, if the card used to provide the Liability Deposit is a Visa credit or debit card or MasterCard credit or debit card, provided our rental contract terms are met and the Vehicle is returned undamaged. **thl** recommends that customers use a Visa credit or debit card or MasterCard credit or debit card for the Liability Deposit, as the credit card administration fee that applies when using American Express credit card is not refundable. Credit card refunds (including liability deposit refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the liability deposit will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the liability deposit is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing with another **thl** RV booking, the liability deposit can be transferred to the next booking within Australia.

### Damage

^Damage means any loss or damage to the Vehicle, which is not noted on the Vehicle Condition Report, including that caused by theft of the Vehicle or by adverse weather events, that requires repair or replacement including the loss of use of the Vehicle, legal expenses, assessment fees, towing and recovery costs (from roads and areas where permission to travel had been granted by thl), storage, service charges and any appraisal fees of the Vehicle.

**There are exclusions to Reduction Option cover where the Guest will be responsible for all costs, as outlined below:**

#### Liability Exclusions

- Damage caused where the terms of Rental Agreement have not been met by the guest.
- Damage caused by negligence and/or wilful conduct.
- Damage caused to the RV in any way by part or total water submersion or salt water.
- Damage caused to the RV when using the RV in contravention of any legislation or regulation controlling vehicular traffic.
- Damage and associated costs with recovery of a bogged vehicle.
- Damage or loss caused to any personal belongings.
- Damage or loss caused by a guest's pet.
- Damage caused due to use of incorrect or contaminated fuel.
- Damage caused to tyres and windscreen except where the 'Platinum Pack' or 'Windscreen and Tyre Protection' has been purchased and applies.

### **Travel Insurance**

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

#### Personal Injury

The RV has Third Party insurance cover, and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third-Party insurance of the party responsible for the accident. The extent of such Third-Party insurance varies in different States and Territories and **thl** strongly recommends that all passengers take out their own Personal Injury travel insurance.

**thl** does not accept any liability for personal injuries sustained during the rental. Except where such loss or damage is caused by **thl**'s (or that of its employees) own negligence or breach of the Rental Agreement Terms and Conditions. **thl** does not accept liability for any loss or damage to any personal belongings or property of the Customer (or any person or entity related to the customer).

#### Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, the guest is responsible up to the amount of the applicable Liability for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for any unused portion of the rental period. The Liability applies to each claim, not RV.

**thl** reserves the right to charge the guest for any RV damage, which they are responsible for, including Third Party property damage not reported but identified on return of the RV.

This ensures we have the right information about you, and all guests who will be driving the RV during your trip. You will also be asked to watch the **thl** Safe Driving video, which is full of tips and advice on driving an RV in Australia. You can access the Online Check-in at <https://sci.thlonline.com/>.

### thl Roadtrip App

The **thl** Roadtrip App is custom built for guests travelling in Australia and New Zealand. The free app provides our guests with all the necessary information needed to make their **thl** journey an amazing experience.

The app is designed to:

- Provide information on your closest campgrounds, bookable directly through the App.
- Enhance guests' holiday experience by providing a show-through video of their RV prior to pick-up, so that they become familiar with their vehicle before arriving at the branch and prepare any questions they may have.
- Educate our guests on how to use the vehicle with a bunch of CamperHelp 'how-to' videos, as well as a video on safely driving an RV.
- Provide **thl** contact details to extend their holiday, contact roadside assistance and email any other enquiries.
- Search and book great deals on attractions and activities.
- Find helpful travel information such as branch locations, nearby petrol stations, dump stations, supermarkets, and ATMs.

Guests can download the app from [Google Play](#) or the [App Store](#).

### What to Expect on Pick-Up

Each driver needs to present their physical, full, valid driver's licence upon collection of the campervan (photocopies are not accepted) and all drivers are required to sign the rental agreement.

If the driver's licence is not in English, then we require an accredited English translation or an International Driver's permit, along with the physical driver's licence. We must sight both at pick-up otherwise we cannot release the RV.

The RV can only be collected within the branch operating hours. Guests need to be there no later than an hour before closing time.

Please ensure your guest allows plenty of time at the branch for the pick-up process. We want to give each guest the space to ask any questions they may have to ensure they can get on the road safely, and with confidence. We find some guests need more time than you'd expect to pick-up a camper, as there are a few more things to run through than with a usual car hire. Please ensure your guest allows enough time so we can show them everything they need to know and make sure they have an awesome roadtrip.

### Where Children Sit

All children aged seven years and under must travel in an approved child restraint. The type of restraint required for each child depends on their age and size. Guests must refer to the child restraint guideline on our websites for the appropriate child restraint. A maximum of two child restraints can be fitted to RVs (model dependent).

### Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RV needs to be returned to the branch in the condition that it was taken, with full LPG bottle/s, full tank of fuel, with the tank full of AdBlue (where applicable), with the interior cleaned as well as the holding tanks and toilet cassette (where applicable) emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. The Drop and Go Pack or Refuelling Pack are available to be pre-purchased or added on pick-up to offer quick and easy return.

## Kilometres

For the safety of guests please don't underestimate the time it will take to drive from one point to another. While our 2WD RVs include unlimited kilometres, we recommend travelling a maximum of 250 kilometres per day or the equivalent of 4-5 hours driving. We encourage our guests to take a break from driving at least every 2 hours.

Our 4WD rates include 300 kilometres per day, however, should a little more adventure be needed, an unlimited kilometre package is available before or at time of pick-up for \$299.00. If the unlimited kilometre package is not selected any excess kilometres will be charged at 0.55 centre per kilometre, payable on return.

## Infringements, Tolls and Fines

**thl** will pass on any charges the guest receives for traffic infringements, toll, or parking fines during their road trip. For toll way fees received, **thl** will charge the guest's credit or debit card upon receiving the toll way notice, along with an administration fee per charge. If **thl** cannot nominate the guest for traffic infringements or traffic fines the guest incurs, **thl** reserves the right to charge the guest's credit card for the full amount of the traffic infringement or traffic fine. **thl** will make reasonable attempts to issue the traffic infringement or traffic fine to the guest. An administration fee to cover associated administrative costs per traffic infringement or parking fine received may be charged. (Refer to the fees table on page 10.)

## Telematics Monitoring

Our RVs are equipped with a Telematics location monitoring device, for the safety of our guests. This means we can locate and contact them during periods of impending emergency events such as fires or cyclones that may be in the area they are travelling. **thl** reserves the right to also send warnings to guests that are driving in contradiction to our terms and conditions, and/or exceeding speed limits.

## Animals

We believe fur friends can only make a road trip better. Pet dogs and cats are allowed to travel in Britz, Apollo and Mighty Campers and MightyLITE Campers vehicles. A pet fee applies (excluding service animals). Service dogs are permitted in all vehicles. If a vehicle is returned soiled by a pet, **thl** reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the **thl** website. (Refer to the fees table on page 10.)

## Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100.00 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100.00 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are covered by Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact On-Road Assist on 1800 849 859.

## Smoking and Drugs

Our RVs are a smoke free, vape free and drug free zone; hence smoking or drugs are not permitted in any of our RVs.

## Guest Responsibility
