Insurance

The vehicle has comprehensive insurance cover in case of accident damage or loss of contents (excluding personal belongings). The hirers liable up to the excess/deductible for the cost of damage to third party property or to the rented vehicle, including single vehicle accident, windscreen and tyre damage, overhead and underbody damage, towing and recovery costs, theft, fire, break in or vandalism. The Liability applies in respect of each claim, not per rental. In addition to the Liability, and where our Bond Waiver has been purchased, an administration fee of \$150 will be charged per claim. Otherwise, the fee is \$450.00 per claim.

Bond

When you collect your vehicle we take an impression of your credit card as the bond for your excess/deductible. This is the insurance excess for any single accident which may occur during your holiday. The impression of your credit card covers your accident-damage bond liability plus any extra costs such as fuel fill-up, emptying of the toilet at the end of hire, or any traffic infringements, losses or breakages. A credit card imprint must be on all rental agreements and must be the credit card of the main hirer unless prior arrangements have been made. We do not deduct the bond from the credit card, but merely hold the authority to deduct it in the unfortunate event of an accident. Where a credit card is not available, a cash bond will be held by Tui Campers for up to 14 Days following hire.

Please Note: For customers who are using debit cards for the security deposit, due to the limitations within terms of use for debit cards these are treated as cash and the full excess will be debited unless the bond waiver is purchased and then a signed imprint will be taken.

Trail Seeker, Trail Adventurer, Bunkie, Bushranger 4WD and Trailexplorer – There is an excess of NZ\$6,500 (NZ\$7,000 for drivers aged under 25 years) included within our standard rates.

Optional Coverages

In addition to the insurance cover set out above, the hirer may also choose the Bond Waiver Insurance (BWI) options or Windscreen/Tyre Insurance (WTI) by so indicating on the Rental Document. The amount of that excess and the daily rate payable in respect of BWI is dependent upon the age of the hirer and the type of vehicle hired.

The excess can be reduced by purchasing one of the following Reduction Options:

The New Zealand government imposes a road user charge on users of diesel vehicles. The Customer must therefore pay a road user charge recovery fee on return of the Vehicle to Tui. Ferry reservations

Tui Campers have partnered up with Bluebridge Cook Straight Ferries to exclusively offer our customers a 10% discount using a [promo code](#).

The two main islands of New Zealand, the North Island and South Island, are separated by sea and require a ferry trip. If you wish to hire from Auckland to Christchurch or vice versa you will require a ferry. The ferry trip takes approx. 3.5 hours and there are several sailings per day in each direction.

During the peak tourist months, November to March, reservations are highly recommended. Ferry pricing is based on the length of the campervan/motorhome. Please consult our vehicle pages for the length of the vehicle.

Rental extension is subject to fleet availability. Failure to obtain authorisation will result in the renter maybe being charged double the daily gross rental rate.

Pricing mistakes and Calculation errors

If a clear and obvious pricing mistake is made by Tui Campers on its website or other publicity, Tui shall not be bound by the mistake and may correct it even after a booking has been made.
